

Summer Camps 2019

**** Explore *** Investigate *** Discover *** Create *** Play ****

Join us at Childswork Learning Center for our Summer Camps for 3-6 year old children! Each week will be a part of a "Big Idea" that children and teachers will explore together. Teachers will set up provocations to inspire children, offer projects and activities related to the "Big Idea," and respond to the children's interests and wonderings about their explorations. Classrooms will be set up with myriad opportunities to develop early literacy and numeracy skills, expand social and emotional skills, and exercise our growing bodies. There will be daily outdoor time (with safety precautions for heat and air quality), a morning snack, and plenty of art, open choices, and fun!

Big Idea #1: Plants, Gardening, and Growing!

June 17-21 and June 24-28

This is a repeat favorite! The opening of summer is a great time to tend to our raised beds, plant tomatoes, other veggies and pollinator attractors, and take care of all the schools indoor plants. We will do observational drawings, weeding, planting, watering and so much more. There will be a mix of classroom activities and work in the Salmon Creek natural playscape.

Big Idea #2: Kids Build!

July 1-3, July 8-12, July 15-19, and July 22-26

We just couldn't let go of Box City! The Big Idea for July lends itself so well to carry over from week to week. There will be opportunities to explore elements of architecture and design, balance and symmetry, and collaboration and cooperation. We'll use large sets of unit blocks, natural materials, cardboard boxes, woodworking materials, and so much more. Classes may also explore theater and drama – once the stage is set, the thespians may take over!

Big Idea #3: Water, Water, Water!

July 29-August 2, August 5-9, August 12-16, and August 19-23

August is hot. Water is cool. Literally and figuratively! From scientific explorations to the unadulterated joy of running through the sprinkler, water offers so many opportunities. We'll build waterways, make ice, explore water and color, and maybe even set up a tricycle wash outside!

Attendance Options and Costs

Camp Weekly Fees	Explorers
5 Days (M-F) = \$180	\$10 per hour registered
3 Days (MWF or July 1-3) = \$120	\$15 per hour unregistered
